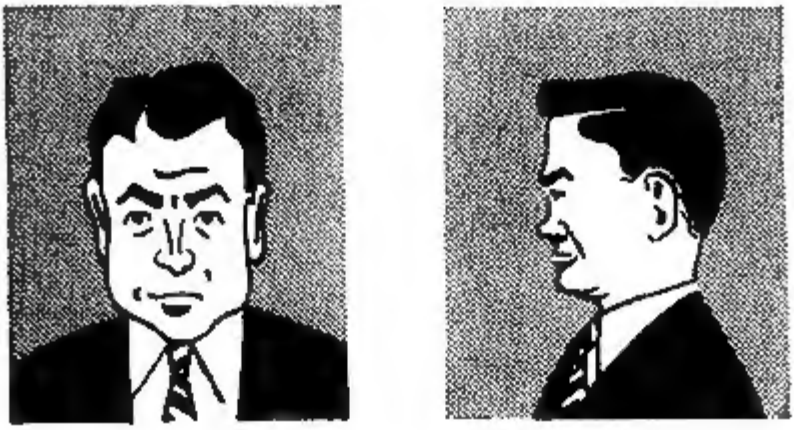
WANTED

FOR SLANDER AND DEFAMATION OF CHARACTER



MISTER GRIPER

When last seen this man (or woman?) was overheard on a bus complaining bitterly about the Yonkers transportation system. On frequent occasions he (or she?) has been known to complain about the Yonkers Police Department, Fire Department, Banks, Stores, Parks, Schools, Restaurants, and anything else associated with the name of Yonkers.

Mr. Griper claims to represent the average Yonkers resident when in Yonkers, but when traveling outside will not admit to living here except under scrutinizing interrogation.

No one knows why he speaks poorly of Yonkers and things connected with it because he chooses to live here and is really very fond of the place. He has often wondered himself about this attitude of his and believes it may be something that was handed down to him by his parents or perhaps acquired in his association with other Gripers.

Anyone knowing this man (or woman), please refer him to Saturday's edition of The Herald Statesman for the first in a series of cartoons entitled "Mr. Griper."

"Mr. Griper," a weekly cartoon strip beginning in The Herald Statesman tomorrow, is another contribution of this Bank in its constant endeavor to help Yonkers "help itself."
